WSRA Sponsored Roadshow Speaker

Deb Zarling

Mindfully Implementing
Research-Based Practices

Thursday, April 12, 2018 at Badger Middle School Library
(Park on upper Main Street lot)

727 S 6th Ave, West Bend, WI 53095

5:45-7:15 PM Business Meeting followed by Speaker
(Optional Light Dinner at 5:15)

Description: We are bombarded with information on the "best" way to teach. As literacy leaders, we make decisions that impact the education, and ultimately the lives of students. We know we are supposed to use "research-based practices," and make "data driven decisions," but what does that really mean, and how do we know? How do we make sound decisions as well as support and advocate for those decisions with others?

Debra Zarling: Debra is the K-12 Reading Coordinator for the Oshkosh Area School District. In addition to her role as district Reading Specialist, she has also been a classroom teacher, Title 1 Teacher, Reading Recovery Teacher, and school level Reading Specialist. She holds a Master Educator License as a Reading Specialist. She is past president of the Wisconsin State Reading Association and has served on other committees such as the ESEA/Rtl/Assessment Task Force.
