

Language that Models Thinking

*I'm thinking...

*I'm wondering...

*I'm inferring...

*Maybe...

*This seems to be important because...

*This reminds me...

*I'm going to synthesize my learning so far...

*Wow! That gives me such a vivid mental image!

*Let's see, I think I'll go back and reread this part, or
Let's see, I'm going to try that again...

*Hmmm, what do I already know about this topic? This
type of text? This author? This kind of problem?

*I don't get this—let's see, first I'll...
