

Dear Facilitator,

The Young Author's Committee would like to thank you in advance for volunteering to facilitate a share session on May 10, 2008. Your facilitator assignment is listed in the program along with room assignments and age level groups. This session does run for an hour. In order to allow sufficient time for each student to share, we suggest the following:

*Do a quick assessment of the length of the students' stories as they arrive.

If you are facilitating a group with shorter stories, allow longer discussion time for each student.

If you are facilitating a group with longer stories, have the students read a portion of the story, allowing time for discussion.

*Bring your favorite picture book to share with the group if time allows.

PLEASE HOLD STUDENTS IN YOUR SESSION
UNTIL A PARENT PICKS THEM UP.

Thanks again for your help and have fun!

Sincerely,
The Young Author's Committee

(If you do not have a "Facilitator" job, please check in at the volunteer desk and we will explain your duties. Your job assignment and time is in the back of the program.)
