

## Mood, Text Evidence and Symbols

Title of Text: \_\_\_\_\_

Page (s) \_\_\_\_\_

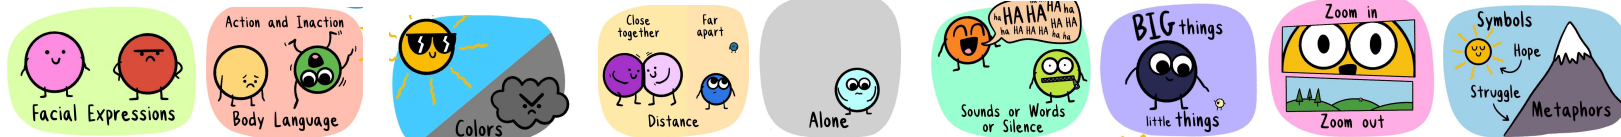

1. What's the Mood? \_\_\_\_\_

2. Is the mood **directly stated** and/or **shown**?

3. Write the sentence that directly states the mood:

\_\_\_\_\_

4. If the mood is shown, circle the lenses you notice.

5. What is the symbol?

Remember: Cause of the Mood = Symbol of that Mood

\_\_\_\_\_ is a symbol of \_\_\_\_\_

### The When, How, Why Scene/Story Summary

Use the boxes to record the event, the reaction to the event and the reason for the reaction to the event in a scene from your story.

Title of Book/Chapter/Story: \_\_\_\_\_

#### In the beginning...

<b>When? _____</b> Name the event	<b>How? _____</b> How does the character feel?	<b>Why? _____</b> Why does the character feel this way?
--------------------------------------	---	--

Directly Stated or Inferred

Directly Stated or Inferred

\_\_\_\_\_ is a symbol of \_\_\_\_\_

(Connection) This reminds me of:

### The When, How, Why Scene/Story Summary

Use the boxes to record the event, the reaction to the event and the reason for the reaction to the event in a scene from your story.

Title of Book/Chapter/Story: \_\_\_\_\_

#### But Then...

<b>When?</b> Name the event	<b>How?</b> How does the character feel?	<b>Why?</b> Why does the character feel this way?
--------------------------------	---	--

Directly Stated or Inferred

Directly Stated or Inferred

\_\_\_\_\_ is a symbol of \_\_\_\_\_

(Connection)This reminds me of:

### The When, How, Why Scene/Story Summary

Use the boxes to record the event, the reaction to the event and the reason for the reaction to the event in a scene from your story.

Title of Book/Chapter/Story: \_\_\_\_\_

**Finally...**

<b>When? _____</b> Name the event	<b>How? _____</b> How does the character feel?	<b>Why? _____</b> Why does the character feel this way?
--------------------------------------	---	--

Directly Stated or Inferred
