

**ACT 20**  
***Share Your Stories, Observations and Concerns  
Regarding Wisconsin's Sweeping  
Literacy Legislation***

**Moderated by Jacqueline Easley and Susan Tily**

An important virtual opportunity is available to local council members and prospective members on October 24 from 6:00 to 7:30. This event creates a space for discussion of your stories, observations, concerns, and questions regarding ACT 20, Wisconsin's sweeping literacy legislation passed into law a year ago. This law directly impacts literacy assessment, curriculum, teaching practices, and decisions in school and university settings.

Facilitated by two Wisconsin literacy professors, Dr. Jacqueline Easley and Dr. Susan Tily this is a critical opportunity to network with colleagues across the state regarding the impact of this law on you, your professional colleagues, students, parents, and the community. While full implementation is not currently underway, we look forward to hearing your voices and professional input regarding your initial experiences and possible professional dilemmas regarding ACT 20.
