Celebrating Literacy!

## About Us

The Midwest Wisconsin Reading Council is a professional group committed to excellence in literacy education. MWRC sponsors several events throughout the school year, including fall and spring professional development, and an end of year celebration. The fall event is the first event of our membership year.

## Special Projects/Awards

MWRC presents several awards and grants annually. Award recipients are nominated by the MWRC membership. Grants supporting literacy efforts can be submitted to the Midwest Wisconsin Reading Council board for consideration.

## Authors Festival

MWRC, in partnership with WSRA, sponsors an annual Authors Festival for students from grades kindergarten through eighth. The conference features authors and/or illustrators, an opportunity for students to share or create writing, and a parent speaker.

This event has not been held the last few years due to COVID.
