

# What is WORC?

The **Washington-Ozaukee Reading Council** is a professional organization devoted to the improvement of literacy. It is the local affiliate of the Wisconsin State Reading Association (WSRA).

Our membership includes classroom teachers, pre-service teachers, reading specialists, college professors, administrators, and all those who seek to improve, cultivate, and inspire lifelong literacy.

## WORC Provides Opportunities for:

- Professional development of best practice literacy instruction
- Networking and collaborating with other professional educators in Washington-Ozaukee County
- Reciprocity with other local councils
- Legislative updates from WSRA
- Meeting professional growth requirements
